Skills

Languages: Python, Julia, C/C++, SQL, PHP, Assembly Language, HTML, CSS, JavaScript

Technologies & Tools: LLM Applications, RAG Pipelines, LangChain, FAISS, NLP, Fine-tuning, Model Training, Embeddings, Speech-to-Text, Text-to-Speech, Voice AI Agents, Twilio, Vapi.ai, Retell AI, Voiceflow, OpenAI, Deepgram, Google Speech APIs, Whisper, ElevenLabs, Botpress, n8n, Make, Airtable, Next.js, PyTorch, TensorFlow, Scikit-learn, Hugging Face, Pandas, NumPy, Matplotlib, Vercel, Railway, SendGrid, Database Management, Separate Admin and User Access, Secure Credential Handling, Multi-user Architecture, Per-user Database Architecture, Hostings, VPS servers.

Work Experience

Upwork | Top Rated AI Developer

Saturn7Solution, Onsite

Nov 2025 – Dec 2026

AI Engineer

- Developing and deploying scalable AI solutions using NLP, computer vision, TensorFlow, PyTorch, and LangChain for automation and predictive analytics.

DevVerse IT Solutions, Hybrid

Mar 2025 – Nov 25

AI Developer

- Designed and optimized deep learning and NLP models using LangChain, TensorFlow, RAG, and Hugging Face for intelligent system development

10Pearls, Remote

Jun 2025 – Present

Data Science Intern

- Python, EDA, Numpy, Pandas, Matplotlib, Seaborn, SQL, Scikit-learn, Supervised & Unsupervised Learning

DeveloperHub Corporation, Remote

Feb 2025 – Mar 25

AI / ML Intern

Education

Hitec University Taxila

Aug 2022 - Jun 2026

B.S. in Computer Science

CGPA: 3.3/4

Relevant Coursework: Object Oriented Programming, Discrete Maths, Data Structures and Algorithms, Operating Systems, AI, ML, TOA, Advance DSA, Probability & Statistics, Image Processing, DL, Database Management System

Project Work

- Shelly, A Customer Experience & Virtual Sales Assistant for **SavorOurCity™**: [Link](#)
- **Ai Call Agent for Reservations and order booking configured with twilio**: [Link](#) | [1](#)
- **Document Summarizer using RAG + Groq (2025)**: [Link](#) | [Received an invitation from Genesys Research Lab, FAST NUCES Islamabad to present this project at their lab.](#)
- **Voice Travel Agent Capture booking detail save to Google Sheets, confirmation email to the user**: [Link](#)
- **GraceWise Ai HomeSchool Assistant**: gracewise.org | [1](#)
- **FLUX.1-schnell model Integrate with Weave3d**: [Link](#) | [2](#)
- **Coramed.ai HIPPA Compliance**: coramed.ai
- **Truck Dispatching Tool**: dispaket.com

Awards and Certificates

- **IBM AI Developer** | [Certificate](#)
- Machine Learning – Andrew Ng (Coursera) | [Certificate](#)
- Programming for Everybody (Python) – Coursera | [Certificate](#)
- Object-Oriented Programming in Python – (Coursera) | [Certificate](#)
- Contributions Merged at Stingray.jl an Astronomical data analysis Library | [Link](#)
- **Upwork Top Rated** Ai Developer | [Link](#)
